

THE REUSABLE TOWEL

Prochef by Julien created, in partnership with Kliin, this reusable towel that will be a must in your kitchen!

Why choosing a reusable towel?

- Economical, convenient and nature-friendly
- Cleans everything (kitchen, bathroom, garage, patio, car, etc.)
- Absorb any liquid mess
- Makes glass shine effortlessly
- Can be used again, and again, and again!

Compostable

100 % natural
wood and cotton cellulose

Washable
dishwasher and machine wash safe

Absorbent
holds up to 15 times its weight

Caring for your reusable towel

Before using your reusable towel for the first time, rinse thoroughly under running water. Squeeze out excess water to increase absorbency.

Dishwasher-safe and machine wash-safe. Can be washed up to 300 times. Do not tumble dry. Leave flat to dry.

To kill bacteria, microwave your damp reusable towel for two minutes. Allow it to cool before handling as it will be extremely hot!

After using it for several months, place your reusable towel in the compost.
